Worksheet A - Reading and writing

Name: _____ Class: _____ Date: _____

A3. Our weekend club plan

Our school nature club meets every Friday. We usually read about animals in the library, but today we are planning a weekend trip. My cousin Maya is checking a map. We are going to stay in a tiny house near a forest. It has got a kitchen and two bedrooms. There is a small restaurant next to it. We can walk by the lake and watch birds. Everyone has to bring a raincoat. I am packing a bottle of water and some sandwiches. We are excited, aren't we?

1. When does the club meet?

2. What is Maya doing?

3. Where are they going to stay?

4. What does everyone have to bring?

A4. True or false? Correct the false statements.

T / F They usually read about animals in the library.

T / F The tiny house has three bedrooms.

T / F A restaurant is next to the house.

A5. Your own message

Write a weekend club message. Include one routine, one action now, a place, a food quantity, a going to plan and a rule.
