Worksheet A - Reading and writing

Name: _____ Class: _____ Date: _____

A3. The river team

Last weekend, six friends went hiking with their teacher. They took water in reusable bottles and ate lunch near a river. After lunch, Noor found plastic bags under a tree. The group did not touch any sharp objects. They told their teacher and picked up safe litter with gloves. The teacher explained the camp rules: everyone has to use the marked path, and visitors must not leave rubbish. The friends came home with an idea. They want to replace single-use bags with reusable ones at school.

1. Who went with the six friends?

2. What did Noor find?

3. What did they do about sharp objects?

4. What do they want to replace?

A4. True or false? Correct the false statements.

T / F They took reusable bottles.

T / F They touched sharp objects.

T / F Visitors can leave rubbish at the camp.

A5. Your own message

Write a short eco-camp report: three past events with irregular verbs, one must rule, one have to rule and one optional action with don't have to.
