Name _____ Class _____ Date _____

A3 The missing bracelet

Three friends are preparing a clothes display. Maya has got a green swimsuit and white trainers. Her cousin Leo has got blue trainers. Leo's trainers are bigger than Maya's. Noor has got a small wallet with two pockets. It is the smallest wallet on the table. The friends find a purple bracelet under a chair. Whose bracelet is it? Noor asks everyone politely. It belongs to Maya. Noor is patient and organised: she makes a list of all the clothes before they start the display.

1. What colour are Leo's trainers?
2. How many pockets has Noor's wallet got?

3. Where is the bracelet?

4. Whose bracelet is it?

A4 Fact detective

1. Maya's trainers are bigger than Leo's. T / F
2. Noor asks politely. T / F
3. Noor makes a list after the display. T / F

Circle T or F. Fix the false detail(s) below.

A5 LOST-PROPERTY NOTICE

Write a description for a lost-property display. Include three belongings, one whose question, two comparisons and one superlative. Describe people respectfully.
