Life in the Universe & Future

TEACHER KEY / MODEL / LISTENING / PAIR TASK

Accept equivalent answers. Pair and creative tasks have more than one possible answer.

A5 Sample writing

We are going to make a model classroom. We are going to use old boxes. I think our future school will save water. I hope it won't waste energy. Look at the loose roof on our model; it is going to fall. Our friends will help us, won't they?

B1 Sentence studio

1. We are going to make a planet model.
2. That model is falling. It is going to break.
3. I think future homes will save more energy.

B2 Read-aloud script and radio notes

Read twice at a natural pace. Pause between sentences; allow note-taking on the second reading.

Our future fair is on Friday. Noor is going to show a model of Mars. Leo has three pictures of floods. Maya thinks future schools will use less energy. They are going to meet at the library at four.

1. Friday | 2. Mars | 3. Three | 4. The library

B3 Information gap: completed plan

Fair day: Thursday | Model planet: Saturn | Materials: Old boxes | Meeting place: Science room

B4 Team task: one possible response

We are going to make a solar lamp. I think it will save energy. It will help our school, won't it?
