

A DAY AT MY SCHOOL

**5TH
GRADE**

**2025-2026
UNIT 1
SCHOOL
LIFE**

By Gönül CANBAY

My name is Elif, and I am a student at a lower secondary school in Türkiye. I love my school because it is big and colourful. There are many places in my school. We have a big canteen, a quiet library, a science lab, and a conference hall. We also have a large sports field and a nice playground.

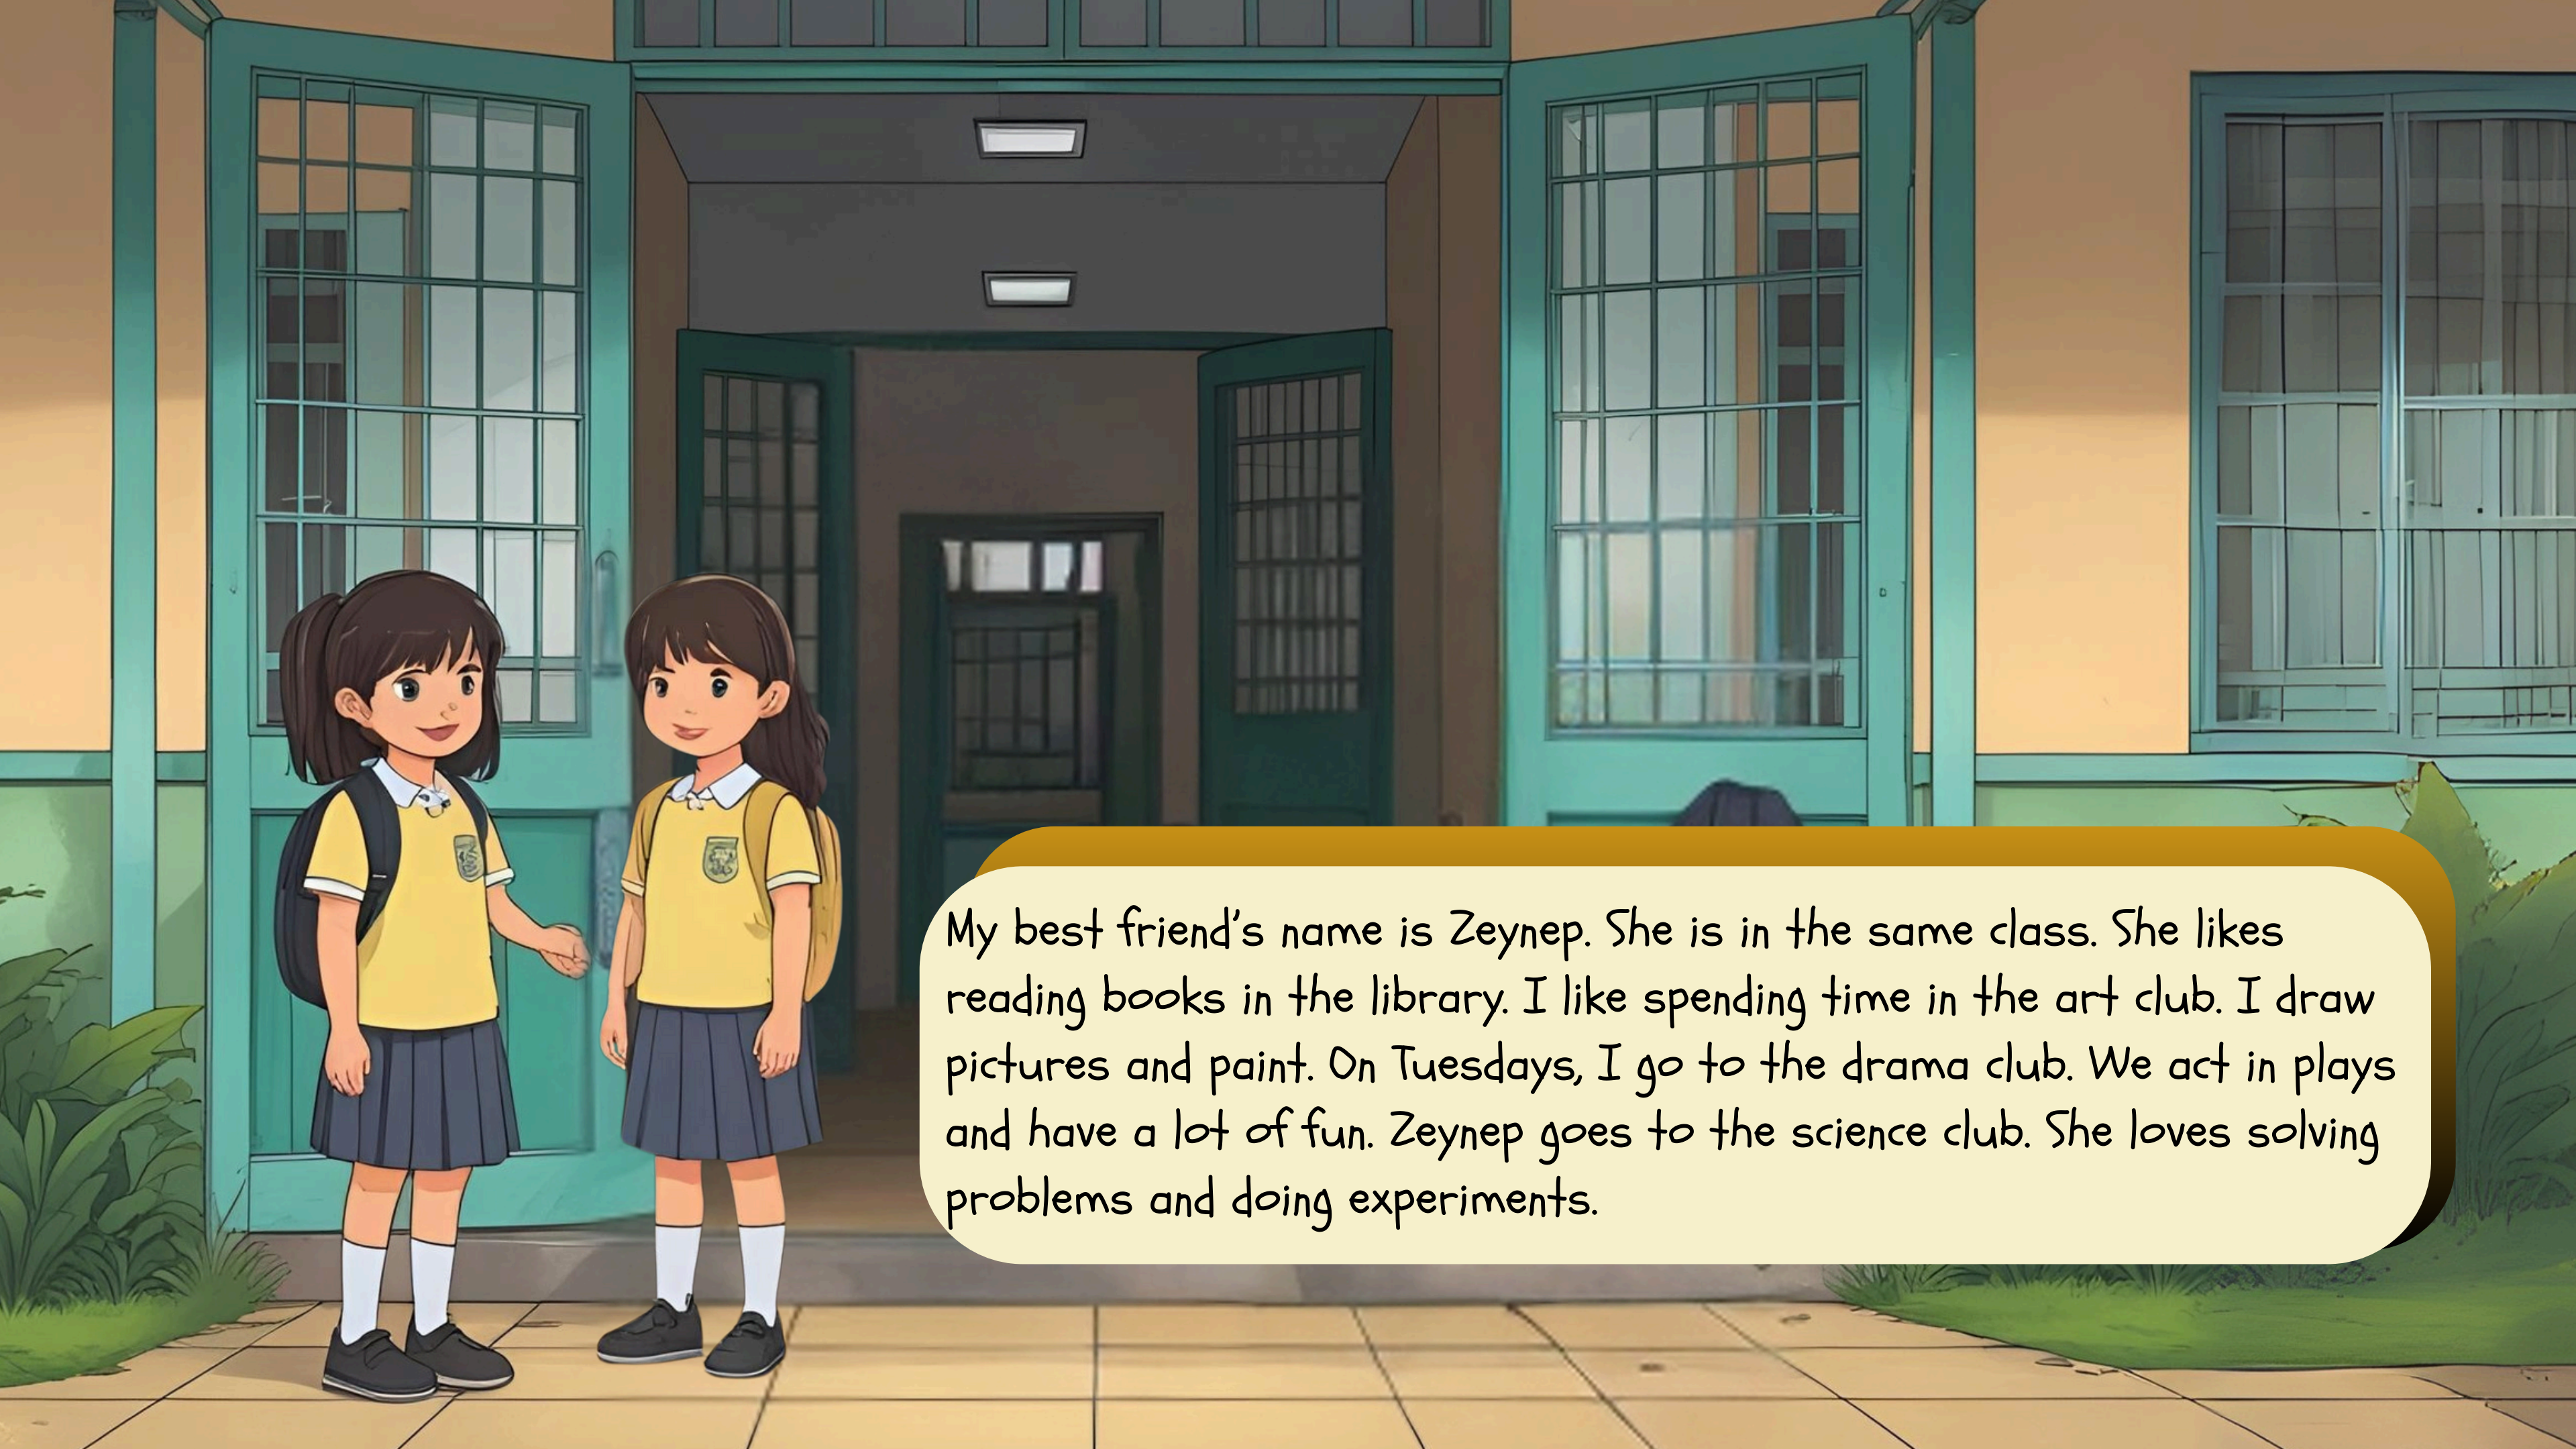

Every morning, I enter the school from the main gate.

The assistant to the headmaster checks our uniforms. We must wear a uniform every day. We can't wear casual clothes. We mustn't shout or fight. These are the school rules.

I think the rules are important because they make school safe.

My best friend's name is Zeynep. She is in the same class. She likes reading books in the library. I like spending time in the art club. I draw pictures and paint. On Tuesdays, I go to the drama club. We act in plays and have a lot of fun. Zeynep goes to the science club. She loves solving problems and doing experiments.

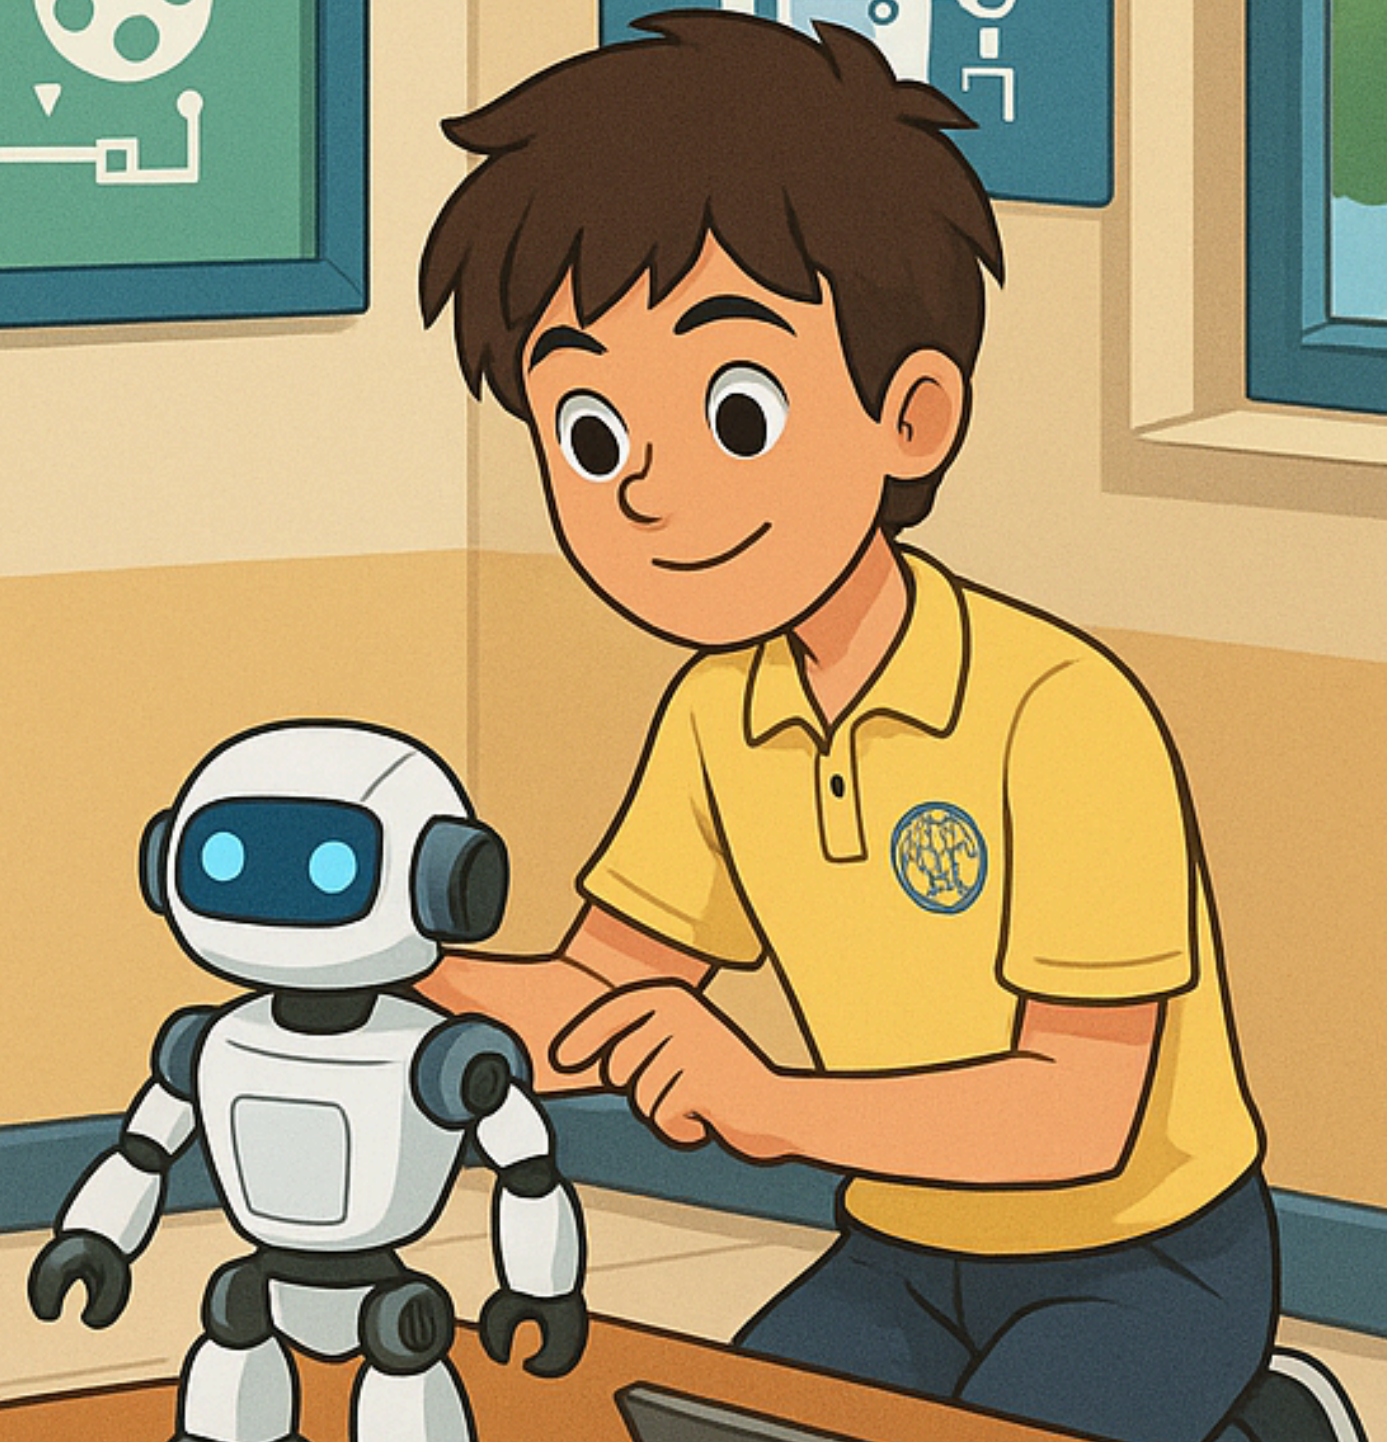

MUSIC

CHESS CLUB

FILM CLUB

TECHNOLOGY CLUB

There are many clubs at school: the music club, chess club, film club, and even a folk-dance club. My brother is in the technology club. He organises robot competitions with his friends

NATIONAL SOVEREIGNTY AND CHILDREN'S DAY

April 23

REPUBLIC DAY

October 29

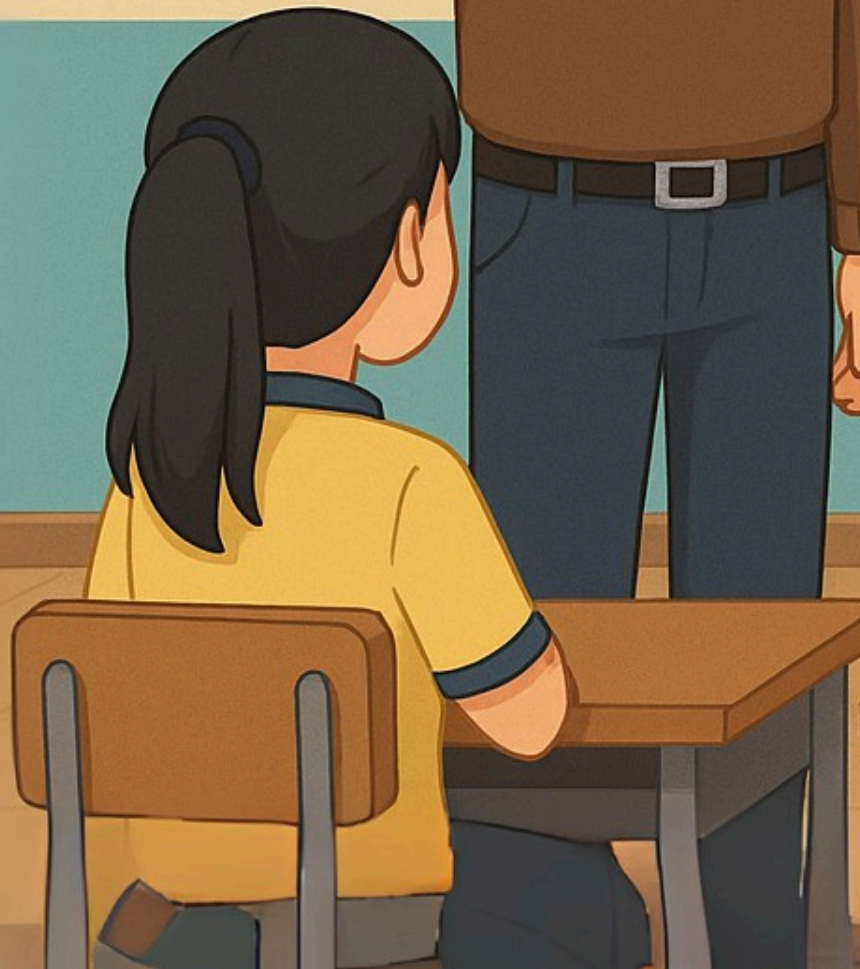

In our classroom, there is a big notice board. We put club news and celebration posters on it. We celebrate National Sovereignty and Children's Day on April 23. We sing songs, wear costumes, and watch folk dances in the conference hall. On Republic Day, we hang flags and sing the national anthem. These events make me feel proud of my country.

Please sit down
and relax.

Do you like
learning English?

Our English teacher is Mr. Yilmaz. He is kind and helpful. He always says, "Please sit down and relax," when we enter the class. He asks us questions like "What is your favourite subject?" or "Do you like learning English?" I always say, "Yes, I do!"

I love my school, my friends, and my teachers. School life is fun, and every day is a new adventure!

ACTIVITY 1: True / False

Read the sentences. Tick (✓) True or False.
