A. Answer the questions according to the text.

Living an eco-friendly life means making choices that help protect our planet. We can all take small steps to take care of the Earth, like reducing waste, reusing items, and recycling materials. Actions like turning off the lights, unplugging devices, and using less water help save energy and resources. By working together, we can save our world and create a cleaner, healthier place for everyone.

1. What does it mean to live an eco-friendly life?
.....
2. Name two actions mentioned in the text that help protect the environment.
.....
3. What does "take care of the Earth" mean in your own words?
.....
4. What are some ways to save energy mentioned in the text?
.....
5. According to the passage, what can people do by working together?
.....

B. Put the words into the correct order.

1. green / go / should / we
.....
2. Earth / we / care / the / take / should / of
.....
3. paper / sides / both / use / of
.....
4. unplug / you / should / TV / the
.....
5. lights / off / remember / turn / to / the
.....
6. less / water / should / use / we
.....
7. can / trash / up / pick / we
.....
8. trees / plant / should / we / more
.....
9. clothes / donate / can / you / old / your
.....
10. packaging / reduce / we / should
.....

C. Answer the question about the dialogue.

Aylin: Hey, did you see the new recycling bins in our classroom?
Sam: Yes! Now we can recycle paper, plastic, and metal easily.
Aylin: I always try to use both sides of paper before I recycle it.
Sam: That's a great idea. I also unplug the computer when I leave.
Aylin: We should remind our friends to turn off the lights, too.
Sam: Yes, and we can pick up trash in the school yard after lunch.

What new item did Aylin notice in the classroom?

- a) A new computer
- b) Recycling bins
- c) Water bottles
- d) A bookshelf

What does Aylin do before recycling her paper?

- a) Throws it away
- b) Folds it into shapes
- c) Draws on it
- d) Uses both sides of the paper

What does Sam do to help the environment?

- a) Leaves the computer on
- b) Uses plastic bags
- c) Unplugs the computer when he leaves
- d) Turns on all the lights

What do Aylin and Sam want to remind their friends to do?

- a) Turn off the lights
- b) Bring snacks
- c) Play outside
- d) Use more paper

Where do Aylin and Sam plan to pick up trash?

- a) In the classroom
- b) On the street
- c) In the school yard
- d) At home
