

7th GRADE

2nd term 1st Speaking Exam Cards

Procedure:

Draw student names from a bag and ask the selected student to come to the board. Let the student pick two cards from the word bag. They should answer the questions on the cards they pick. If a student cannot answer one of the questions, they are allowed to draw one extra card. Each complete answer is worth 50 points. You can also categorize the cards such as 'easy ones and hard ones' and ask one question from each. They will be scored according to the following criteria: relevant answer, correct vocabulary use, correct pronunciation, and correct grammar use (25 × 4 points).
