Answer the questions according to the text

In 2050, I will be 35 years old. I believe my life will be wonderful by then. I will be a successful artist, known for my creative and inspiring paintings. My art career will grow, allowing me to earn enough money to travel and visit art galleries around the world. These galleries will give me inspiration and new ideas for my own work.

I will live in a nice cabin by a quiet lake, which will be a perfect place for my art projects. The peaceful environment will help me focus and create beautiful pieces of art. My family loves spending time outdoors, and we will enjoy many fun adventures together.

During our free time, we will do activities like hiking in the nearby woods and kayaking on the lake. The natural beauty around us will always inspire me. We will also have art workshops in my cabin, where friends and family can join in and share our passion for creativity.

To achieve success as an artist, I will need certain personal qualities and skills. Creativity and hard work will be very important for my art to succeed. I will also need good communication skills to connect with other artists and art lovers. Being open to change will help me learn new styles and ideas, keeping my work fresh and exciting.

1. What will her job be in 2050?

- A) She will be a scientist.
- B) She will be an artist.
- C) She will be a businessperson
